ISSUE 18: TABLE THREE WAYS: PETAL POWER | PLACECARD TEMPLATE

1. Type in or hand write names within the circle twice – once for each side of the finished placecard.
2. Punch out each placecard with a scallop punch – we used the *EXTRA LARGE SCALLOP CIRCLE* \$33.95 from STAMPINUP.COM.AU.
3. Using double-sided tape, stick each side of the placecard together, sandwiching a small bamboo skewer in between.
